Teak Seat The seat now situated in the covered way to the Car Park from the shops has been presented to the Village by the Residents Association in memory of the late Mr. R. A. Burry, who helped to found the Association. We hope that in its present position it will give residents a seat in the dry whilst waiting for buses.

A 604 As the Government have stated that expenditure on roads will be cut back, your committee are anxious that this will not affect the flyover due to be started in September 1974. We are writing to the Ministry to get clarification on this.

Waste Paper As suggested at the AGM, the committee discussed the possibility of raising funds by collecting waste paper. The committee decided that, with a rather rigorous programme planned for 1974, we would not have the man-power available in the committee to organise this type of fund-raising.

If anyone in the Village would be prepared to organise paper collection to raise funds for the Association, we would be very pleased to hear from them. Alternatively, if any organisation in the Village would like to use this method of fund-raising for themselves, please let me know so that we do not have a duplication of effort.

Petrol Rationing At the last committee meeting it was suggested that if petrol rationing starts it would be to the benefit of all residents to organise a taxi/free lift service in the Village. If anyone has any suggestions as to how this might be done, please let us know so that we can call a public meeting to discuss the organisation of such a scheme.

Superstore The Parish Council has received a revised planning application for the superstore. The committee have written to the County Planners on behalf of the Residents Association, pointing out that this alternative plan was one of the proposals in our recent survey and gained the support of only 4.5% of those surveyed, being the least popular of all the alternative sites.

We were also disappointed and dismayed that following the Developers' request to the Parish Council for their suggestions for the development of the central area of the Village,(to which Village organisations contributed), these proposals have not been included in any shape or form.

Leases There appears to be some interest at present, with residents holding 99- and 150-year leases, to ge these extended to 999 years. If any residents have attempted to do this, or alternatively tried to obtain the freehold of their property and have information they are prepared to pass on, please let me know.

A happy and prosperous New Year to all our supporters.

Bar Hill Church Centre

An invitation has been received from the members of St. John's, Blackpool for any members of our congregation to attend Hugo's induction on Thursday, 24th January at 7.30 p.m.

If anyone wishes to go, will they please let me know by the 10th January so that I may inform St. John's of the numbers.

If any members of the congregation have not yet replied to their invitation to Hugo's farewell party on 19th January, would they please do so before the 10th.
